Public Comment Period	None present.
	REPORTS
Friends of the Library (FOL) <u>Ruth DeBoer</u>	Ms. DeBoer reported the Friends financial year ended March 31, 2020. New financial year starts April 1, 2020 with an approved budget and also decided to balance out the income to outlay, which means for this past year there was an additional \$2,700 to give to the Library. For Year 19/20 the Friends gave just over \$24,000 for programing, other gifts already made, and graphics and copier expenses, makes an outlay of approximately \$35,000 to the Library. She also reported in the new budget year, there is a savings that would cover a year of expenses. She also reported due to the COVID19 closure of the City, the book sale scheduled for the first weekend in April was postponed until further notice. The book sale is the big money maker for the Friends to be able to give more to the Library.
Library Foundation <u>Karin Hansen</u>	<ul> <li>Ms. Hanson reported everything is still running smoothly. She is working from home as much as possible. She also reported donations were slowing down and grant seeking has come to a halt due to the COVID19 pandemic.</li> <li>The Foundation was able to accommodate a request from the West End Library Branch. This effort is to pass out new children's books at the Richmond Public Schools food distribution sites. She also reported giving assistance to on-line programming requests.</li> </ul>

Administration	Highlights and Additions to Director's Report: During the Director's Report, Mr. Firestine								
	highlighted on the following items:								
<u>Scott Firestine</u>	• During the COVID19 City closure, we are providing content through the website, staff are staying and working from home pushing out the content. Also training at home that we cannot do normally when libraries are open. Training consisting of customer service, various library topics, and Sirsi training.								
	• Daily videoconferencing call with leadership team to review where we are in training, website content, and working on a return to work process. Using the Slack platform because some staff do not have email access through the City's server.								
	• Over 800 new electronic users. RPS is also reaching out RPL for electronic resources.								
	• In the process of moving Sirsi into the cloud.								
	Budget. Decrease in revenue.								
	• In the process of researching how to deliver books to patrons. There are concerns on how the books will return. Also researching curb-side service.								
	BOARD COMMITTEE REPORTS								
Chair	No Report. Mr. Yates acknowledge and thanked Mr. Firestine and staff for their service and								
<u>William Yates</u>	accomplishments during these hard times.								
Finance	No Report from the Finance Committee. Mr. Firestine facilitated a budget discussion with Board members.								
Scott Firestine Daisy Weaver	<ul> <li>On March 6, the Mayor released his budget. Mr. Firestine reported on the Budget going over the Agency Fiscal Summary. On March 6 the report showed a 3.5% cut. Operations stayed the same. Did not receive any new librarian positions and vacancies requests.</li> <li>Mr. Firestine also reported changes after COVID19 happened. FY21 Proposed Budget was \$6,076,667 and the FY21 Updated Budget with Amendments was \$5,743,900, which is about an 8.9% cut to our overall budget. This total arrived from the following: Elimination of the 2% salary increase for all employees, vacancy funding reduction, reductions to contractual temps, fuel reduction, and about a 10% cut to books and reference materials.</li> </ul>								
	He also reported on the impact if vacancies are not filled. There would be a reduction of public service hours such as elimination of Sunday hours, reduction of evening service hours at all locations. Mr. Firestine encouraged Board Members to reach out to their Council member the impacts of what the Library will undergo from budget and vacancy cuts. Library Board Members devised a list of points to consider and to be consistent when reaching out to Council members. Mr. Yates will send out the points discussed and who will reach out to which Council member.								

	BOARD COMMITTEE REPORTS (CONTINUED)							
Facilities	Ms. Clarke reported on the first floor restroom renovations are close to completion at Main. The contractors are working on the final punch list. Furniture has arrived for the lactation							
<u>Cheryl Clarke</u>	room. Everything is on schedule for final completion. She also reported DPW/DPU are using this time to replace light bulbs, fix minor issues, etc. within the Main Library and Library Branches.							
	Mr. Firestine reported on the RFP for the Master Plan is still in Procurement and Legal. Ms. Drewry said she would research the status.							
Governance	Mr. Lydiard reported due to the COIVD19 Closure of the City, everything is on hold for							
David Lydiard	selection of new Board members. He also mentioned that existing members would be able to continue to stay on the Board until the Council has an opportunity to make a selection.							
	UNFINISHED BUSINESS							
No Unfinished Busir	ess was discussed.							
	NEW BUSINESS							
No New Business wa	as discussed.							

There being no further business, the meeting was adjourned at 1:02 p.m. by unanimous consensus from the members that were present in the meeting.

The next meeting will be held on Wednesday, May 27, 2020 by Electronic Meeting.

Approved:\_\_\_\_\_ Mr. William Yates, Chair

Recorder: Gianna Pack **Executive Assistant** 

### Director's Report May 2020 Director Activities for April 22 through May 22, 2020:

Apr 27	Council Amendment Work Session
Apr 27	Council Formal Meeting to Include Public Hearing Regarding FY21 Budget
Apr 29	Council Amendment Work Session
Apr 30	Council Amendment Work Session
May 4	Council Special Meeting – Budget Amendments Introduction
May 5	RPL Poet Laureate Discussion with Christine Peterson – Teleconference
May 11	Council Budget Public Hearing – FY21 Budget
May 12	RVAH2O Technical Stakeholder Update – Teleconference
May 12	Special Funds Exit Meeting – Teleconference
May 19	RPL Poet Laureate Discussion with Christine Peterson – Conference Call
May 22	RPL Poet Laureate Discussion with Christine Peterson and Sandra Treadway – Teleconference

**Hiring Update:** Hiring Freeze instituted by the City on April 16. All open positions and positions in progress are halted until the City reopens.

**City of Richmond Government Offices Closed for Non-Essential Personnel March 13 – May 28:** The closure is in compliance with the Governor of Virginia to ensure the health and safety of residents, employees, and the general public in response to COVID19 pandemic. Essential employees only are required to report to or for work. All RPL staff were deemed essential and are working and being productive. Communicating through the SLAC application, staff are providing content for the RPL website and training remotely.

The RPL Leadership Team holds daily conference calls to coordinate operations, communicate progress on goals, objectives and problems and develop strategies to safely re-open libraries and provide library service.

**Staff Development:** Managers have developed a curriculum to use during the City's closure for staff to do from home. The training is on City COR classes, customer service, and Library specific operational resources such as online databases, electronic content, research indices, MOOCs, etc. These trainings are objective based and measurable. All staff are participating at all levels and training is mandatory.

**Staff Returning to Work:** The RPL Leadership Team developed a plan for the phased reopening of library services. This plan seeks to handle several different reopening scenarios, each dependent on factors such as recommendations from local and national health agencies, social distancing protocols, and critical community needs. The primary consideration of the plan is maintaining the safety of library patrons and staff while finding ways to provide necessary services that the library is uniquely positioned to perform.

The most likely scenario may be a scaled reopening with an incremental easing of physical distancing measures. In any of the scenarios the Library will implement the following:

- Improved hygiene procedures for cleaning and disinfecting common areas.
- Allowing staff to wear protective gear such as masks and gloves while administering public services.
- Continuing to allow teleworking where it makes sense and is allowable from an operational standpoint.
- Encourage or require temperature testing with thermal thermometers. Those staff with temperatures exceeding 100°F will be sent for medical evaluation. Eventually provide testing of staff for virus and/or for immunity to the virus.
- Messaging and plans will be in place to encourage the most vulnerable populations to limit their time in the community and/or allow for service hours that accommodate their needs more specifically.

Library is acquiring hygiene and cleaning supplies for library staff to enact a reopening. RPL will have to address challenges in the following areas: entrance needs, materials handling, holds and materials return and pickup, checkouts, outreach, Internet access, and technology help.

### Director's Report (Continued) May 2020

RFP for the Integrate Library System (ILS on-line catalog) Update: Complete, installed May 1, 2020.

RFP for the Main Library Facilities Master Plan Update: No progress.

**Personal Protective Equipment (PPE):** The Library has two 3-D printers. Staff are printing parts to assemble masks/shields that could be used to protect first responders and answer the demand for PPE. These are also for RPL staff to use when they return to work.

We are ordering PPE for staff to use. Items included are gloves, masks, thermometers, wipes, hand sanitizer, etc. Each Branch and Main Library will have on-hand stock.

**Digital Services Statistics:** With the sudden closure on March 13, RPL began creating significant amounts of digital content in order to best serve patrons remotely. Online reference tools, a new weekly newsletter, and a sharp increase in social media use effectively pivoted services to virtual space.

### Ask-A-Librarian (March 23 – April 30):

Questions via Chat	Questions via Text	Questions via Email	Total

### Return to Work-Richmond Public Library-DRAFT

As Richmond Public Library (RPL) prepares for the return to work of all employees, several guidelines are being put in effect for the health and safety of everyone. RPL has outlined some of the steps and measures to best decrease the spread of COVID-19 while providing service to city residents. Our goal is to reduce transmission among employees, maintain healthy business operations, and maintain a healthy work environment. RPL is committed to supporting our team and making sure all employees have access to the most important up to date CDC guidance and best practices ranging from proper and regular hand washing to staying at home if an employee is sick. With these concerns in mind all library locations have been closed since March 13, 2020.

We have divided the reopening plan into three phases based on various conditions requiring modifications to how the library operates daily.

Virginia Restrictions	Conditions	Services	Modifications
Stay at Home Order: March 13-May 29 (All staff stay at home and essential personnel continue daily communications and work)	Only Essential Businesses Open. Library closed.	<ul> <li>Library closes to public</li> <li>Online resources and services offered</li> </ul>	<ul> <li>Online resources increased</li> <li>Digital content begins (storytimes, reading buddies, online book clubs, etc.)</li> <li>Launch Ask-a-librarian reference service</li> <li>Weekly newsletter</li> <li>Staff teleworking and completing weekly Professional Development (PD) Training</li> </ul>
Phase 1: Safer at Home June 1-TBD (All staff return to assigned location on a block scheduling model)	After a minimum of 14 consecutive days with a downward trend in cases; Estimated to be June 1.	<ul> <li>Materials can be returned</li> <li>Placing and filling holds will resume (PHONE notifications only, email notifications stay off in this phase)</li> <li>Interlibrary loan remains suspended</li> <li>Curbside pickup service begins for patrons</li> <li>No public access to the building</li> </ul>	<ul> <li>Increased cleaning and use of disinfecting supplies</li> <li>Implement use of procured PPE</li> <li>All holds MUST be called and curbside protocol explained to patrons</li> <li>Maintain staff distancing (rotating block scheduling to ensure only 2-3 employees in building at a time—Main will be different)</li> <li>Extended due date remains in place until July 1</li> <li>Implement Zero contact Curbside pickup procedures</li> <li>Implement returns procedure (quarantining items returned for 72 hours)</li> </ul>

Phase 2: TBD (All staff report to assigned location according to staff schedules)	Gatherings of 50 or more; library can open doors to the public but social distancing protocol will be required. Estimated to be between at least 2-4 weeks after Phase 1 (Tentatively July 1).	<ul> <li>Public Access to the building can resume with limited capacity (no more than 20 people in the building at one time and masks worn by patrons highly recommended)</li> <li>Programming does not resume</li> <li>Limited Computer services resume</li> <li>Notary services do not resume</li> <li>Fax services do not resume</li> <li>Regular 2 week loan period due dates resume</li> </ul>	<ul> <li>Staff continue to practice social distancing and wear procured PPE</li> <li>Furniture is moved to adhere to social distancing protocol (Excess furniture i.e., chairs moved to meeting rooms)</li> <li>At least every other computer turned off and extra chairs/keyboards removed (should measure 6 feet apart). Time limited to 1 hour use. Reservations available. Patrons use computers at their own risk and are encouraged to practice safe hygiene</li> <li>Self-checkout encouraged</li> <li>Patrons can browse shelves while practicing social distancing (some branches may want to limit the direction of travel down the aisles)</li> <li>Newspapers and Magazines can be made available to patrons on a branch by branch basis depending on demand and safety concerns/measures taken</li> <li>All staff report to branch according to their assigned schedules</li> </ul>
Phase 3: TBD	No evidence of a rebound in cases. Date TBD	TBD	TBD

### Reduced Library Operating Hours during Phase 1

- M-F 9am-5pm (10am-5pm for the public); Sat. 12-5pm (1-5pm for the public) 30-minute Lunch Break.
- Managers will adjust schedule as needed.

### **Cleaning and Sanitization**

- Nutech will visit the branches for cleaning duties twice a day.
- Returned items will be quarantined for 72 hours (gloves will be worn to remove items from the book drop).
- Disinfecting wipes should be in staff restrooms and staff should wipe down sink handles and door knobs after using facilities.
- PPE: Protective masks, antiseptic and alcohol wipes, hand sanitizer and disposable protective gloves will be available at all locations for staff.
- Soap and wipes should be available in shared spaces and good hand hygiene is encouraged. Place posters that encourage <u>hand hygiene</u> to <u>help stop the spread</u> at the entrance to your workplace and in other workplace areas where they are likely to be seen.

### Staff Health

- We are asking all staff to take their temperature daily before coming into work. If your temperature is over 100 degrees the CDC recommends you stay home and self-isolate under the following conditions:
  - At least three days have passed for the resolution of fever without the use of fever reducing medication.
  - The improvement of respiratory symptoms such as coughing and shortness of breath.
  - And at least seven days have passed since symptoms have appeared.
  - If we learn that an employee is sick with the Covid-19 illness they must stay home to quarantine for 14 days and seek medical assistance. This will be covered without penalty using the Covid-19 sick leave category for up to 80 hours for full-time employees and 40 hours for part-time employees. The same rule will apply for Covid-19 sick leave if a direct/immediate family member is diagnosed with covid-19 illness.
- If you cannot check your temperature at home, contactless thermometers will be provided at each location for you to use upon arrival to work.
- To comply with CDC guidelines you must maintain a distance of six feet from other workers. Your branch manager will be responsible in the assignment of work area. (This may include adult area, teen area, children's area, circulation desk, work room, manager's office, meeting room or any designated work space, etc.)
- All housekeeping and security personnel (where applicable) will follow the same recommended CDC guidelines.
  - Job duties may vary at this time and could include: Weeding, shelving, shelf reading, inventory, Sirsi training, providing telephone reference, processing materials, filing, program creation and development, displays, cleaning and dusting shelves, disinfecting keyboards and computer screens and other designated tasks.
- **REMEMBER:** Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Throw used tissues in the trash and immediately wash hands with soap and water for at least 20 seconds. If soap and water are not available, use hand sanitizer containing at least 60% alcohol. Avoid touching your eyes, nose, and mouth with unwashed hands.
- It is recommended that you routinely clean and disinfect all frequently touched surfaces in the workplace, such as workstations, keyboards, telephones, handrails, and doorknobs using the provided cleaning

supplies.

# **Curbside Pickup Procedures for Patrons**

(June 3 Tentative Start Date)

### Procedures for Zero Contact Materials Pickup While RPL is Closed

- Place your hold requests for any circulating material through the <u>online catalog</u> or <u>telephone</u>. Pickup times are: Monday-Friday 10am-5pm and Saturday 1-5pm. Patrons with temporary e-cards are not able to place holds. You will still have access to our entire online collections and can get your permanent card when the libraries re-open to the public.
- 2. Library Staff on duty will fill the requests to the best of their ability and notify you when items are available for pickup. PLEASE do not come to the library until you have been contacted by phone or email that they are available for pickup.
- 3. When you come to pick up your materials, you will need to bring a cell phone and your Library Card Number. If you do not have your library account number (it was required when you placed the hold), you can<u>call</u> or contact us through <u>Ask-A-Librarian Chat feature</u> on the website to acquire your account number before you come to pick up items.
- 4. Upon arrival to the library, you will pull up to designated area, put your vehicle in park, and call the library phone number to let them know you are ready to pick up. When you call, the library employee will ask for your library card number and verify how many items you have to pick up. If there are any additional instructions at a library location, please follow those instructions. If you are on foot and do not have a vehicle, please call the phone number for the location and receive specific pickup instructions.
- 5. Please WAIT in your vehicle while library staff locate and checkout your materials. We will place your order on a designated table outside the library wearing latex gloves and other personal protective equipment. To maintain social distancing protocol and zero contact pickup, please wait for the library staff member to leave the table and re-enter the library and then you may safely exit your vehicle and pickup your order.
- 6. We have not cleaned or sanitized any library materials, but we are only checking out items that have been quarantined for a minimum of 72 hours. If you wish, you can quarantine them (in your vehicle or at home) for an extended period of time before using.
- 7. All Richmond Public Library materials that are checked out during this closing period, will have an extended due date and will NOT accrue any overdue fines.
- 8. At this time, all items returned to the library must be returned in the outside bookdrops at library locations.

# If you have any questions about the procedure, please call your<u>library branch</u> for answers or use the online chat feature, <u>Ask-a-Librarian</u>, available on our<u>website</u>.

We appreciate all your patience, understanding and cooperation during this time. We are doing everything we can to provide a safe and healthy environment for you, our team, and our community.

# Curbside Pickup Procedures for Staff

## Procedures for Phase 1 Materials Pickup and Return

### (Phase 1 Begins 3 Days After Employees Return to Branch Locations: Tentatively June 3)

Patrons may submit hold requests for any circulating material through the <u>online catalog</u> or <u>telephone</u>. If by phone, please place holds for patrons as usual in Workflows. Patrons with temporary e-cards cannot place holds on materials. They can get their permanent cards when the libraries re-open to the public.

- 1. Library Staff on duty will fill the requests (via the holds list) to the best of their ability and notify patrons when items are available for pickup (E-mail or phone call as usual). For patrons who were previously notified of holds availability (items on holds shelf prior to closure), those patrons should be contacted by phone of their availability and the procedures to pick items up. In order to streamline the procedure, all patron requests should be done online or on the phone prior to pickup. *Patrons should not make additional requests at the time of pickup.*
- 2. Patrons will need to pick up materials during the specifically designated times: **Monday-Friday 10am-5pm and Saturday 1-5pm.** There must be a minimum of two employees working during these scheduled pickup times.
- 3. Upon arrival to the library, patrons will pull up to designated area, put their vehicle in park, and call the library branch phone number to let staff know they are ready to pick up. If patrons are on foot (without a vehicle), please follow the procedure as explained by your location's manager. When they call—they should recite the library card number they placed the hold with so you can retrieve their items and check them out in Workflows. Please check that they have an extended due date **July 1, 2020**. Additionally, please verify how many items you are checking out to them. Be sure to explain the remaining pickup procedure steps to them over the phone (see Step 5).
- 4. Patrons are supposed to wait in their vehicles while library staff locate and checkout their materials. Staff should wear the proper Personal Protective Equipment (PPE) available (gloves and masks), place their checked out materials with receipt visible on a designated table outside the library. To maintain social distancing protocol and zero contact pickup, please leave the materials on the table and re-enter the library. Once you have done so, patrons should safely exit their vehicle, pickup their order, and leave.
- 5. We are NOT cleaning or sanitizing any library materials, but we are only circulating items that have been quarantined for a minimum of 2 hours in a designated area.
- 6. All Richmond Public Library materials that are checked out during this closing period, will have an extended due date and will NOT accrue any overdue fines.
- 7. At this time, the library is ONLY allowing any items to be returned to the external bookdrops.
  - Bookdrop will be emptied once a day.
  - Staff will wear available PPE (gloves and masks) when removing items from the bookdrop. Items will go directly onto a book cart or other portable bin and be taken directly to the designated quarantine area (most likely your meeting room) to sit for 72 hours.
  - The bin or cart or table with the newly quarantined items must have the date (three days from placement) that the items can return to shelves clearly indicated. This must be done each day with a new "safe date" for each day's returns.
  - As more items are added to the quarantined area, it is important to NOT touch previously quarantined items until their "safe date" and only handle the materials with PPE (gloves and masks).
  - Once items reach their "safe date," they can be taken to a workstation to be discharged in workflows. Use the bookdrop return function and backdate to the original return date (72 hours prior).
  - > At that point, those discharged items can be shelved or trapped for existing holds.
  - This process should be repeated daily until quarantine restrictions are lifted.

If you have any questions about the procedure, please contact your branch manager. We appreciate all your patience, understanding and cooperation during this time. We know that the community has been eager to resume using library services, but it is extremely important that we do everything we can to keep staff safe and healthy during this time. Zero Contact pick-up is a protocol set for success in both endeavors.

### Materials Needed for Phase 1:

- Available PPE: Masks, Disposable Gloves
- Sanitizing Supplies: Wipes, spray, hand sanitizer
- Books by Mail: Stamps.com or meter? Order mailers. Procedures. Policies. Request forms.
- Outdoors Supplies: Traffic Cones, chalk, Barricade Tape, Bags, Outdoor Table & Tent (if uncovered area)
- Door/Window Sign: The library will remain closed to the public until further notice. Curbside service available Monday-Friday 10am-5pm. Saturdays 1pm-4pm. Please visit<u>www.rvalibrary.org</u> or call your local branch for more information.
- Donations sign: Donations cannot be accepted at this time. Any donated books will be put in the trash regardless of condition until further notice.
- Public Bathrooms sign: These restrooms are only cleaned twice a day. No janitorial staff on-site.
- Staff Restrooms: Please remember to wash your hands for at least 20 seconds. As a courtesy, please use the provided disinfecting spray/wipes to clean flusher, sink handles, doorknobs etc. after you use the facilities.
- Self-Checkout Instructions sign?
- Signs for Branch Locations with Drive-up Curbside Pickup:

Richmond Public Library Curbside Pickup Hours: 10-5pm Monday-Friday Saturday 1-5pm

# Please Stay in your Vehicle! Call: 804-646-xxxx For pickup instructions

Signs for Branch Locations with Walk-up Curbside Pickup:

Richmond Public Library Curbside Pickup Hours: **10-5pm Monday-Friday** Saturday 1-5pm

# Please stay behind this line! Call: 804-646-xxxx For pickup instructions

May 2020

Audit Report to the Audit Committee, City Council, and the Administration

### Why We Did This Audit

The Office of the City Auditor conducted this audit as part of the FY20 audit plan approved by the Audit Committee. The main objective for this audit was to evaluate the controls, compliance and monitoring of Special Revenue Funds.

### What We Recommend

Chief Administrative Officer

• Develop and implement formal policies and procedures to provide guidance on creating, monitoring and closing Special Revenue Fund accounts.

Director of Finance:

 Remove the identified accounts from the Special Revenue Fund accounts and move them to their respective cost centers in the Grants Module, General Fund or Enterprise Fund and work with the Budget Department to request any budget adjustments that may require legislative approval.

Communications Director:

- Develop and implement formal procedures to ensure compliance with the PEG franchise agreements/Cable Ordinance.
- Work with the Budget Department to obtain legislative approval to appropriate \$1,229,840 from other sources, to recover the funds used for unallowable PEG expenditures.
- Ensure expenses which occurred subsequent to December 31, 2019 for website re-design and web services, and 31% of production studio/office renovation cost be reclassified from or not charged to the PEG account.

Other recommendations to improve internal controls are included in the report.

### Citywide Special Revenue Funds Audit

**Background** - In the City of Richmond, Special Revenue Funds are created to account for revenues appropriated by City Council for a specific purpose either during the adoption of the Fiscal Plan or an approved ordinance. These funds are primarily derived from user fees, assessments, grants, and taxes. As of June 30, 2019 the City had 95 Special Revenue Fund accounts.

**Commendation** – Except for the Public, Educational, and Governmental Fund, all expenditures tested were allowable.

### Needs Improvement

Finding #1 – Excessive Special Revenue Fund Accounts - Only 34 of the 95 accounts met the GASB guidelines. In FY19, forty Special Revenue Fund accounts had neither revenues nor expenditures and twenty-three of those did not have either a beginning or ending balance. This resulted in approximately *\$2 Million* in the Special Revenue Fund accounts that should have been included in the General Fund.

**Finding #2** – *Incorrect Entry* – While reviewing the Special Revenue Fund accounts, it was noted that during FY19, a *\$1,084,100.99* check for Utility Sales Tax was erroneously recorded in a Special Revenue Fund account instead of the General Fund.

Finding #3 - *Public, Educational, and Governmental (PEG)* – As of 12/31/19, expenditures of *\$1,229,840* were not allowable including a citywide website redesign, new offices and other miscellaneous expenditures. Additionally, revenues were not always deposited timely and recorded to the PEG account. Three checks totaling *\$154,092* were deposited at least three months after the check issuance.

Finding #4 – *Affordable Housing Trust Fund* – Interest revenues were not deposited and recorded in the account in a timely manner. Checks dated back to 2015 through 2018 were not deposited and had to be replaced by the issuer in 2019.

**Finding #5–***Law Library* – Expenditures were allowable; however, in FY19 they exceeded revenues by *\$118,180*. Revenues were not always recorded in the account. A lump-sum of *\$1,290,277.04* was coded to the account in FY18 to reclassify the revenues received from FY14 through FY17. As of June 30, 2019, the account was in a deficit of *\$324,212*.

Finding #6–Permits & Inspections Technology Renewal Fee – The 5% permit fee allocation to the Technology Renewal account was under allocated by *\$47,388* during FY19. The account was further understated by *\$2,000* due to a keying error.

**Finding #7**–*Special District Assessments* – Rehabilitation exemptions of **\$557,895** were erroneously applied against Special District charges. This has been corrected by Finance. Staff did not have formal guidance for handling rehabilitation exemptions.

**Finding #8**—*Rapid Transit Pulse Project* — This project is complete; however, the account had a deficit of *\$119,639*. Applicable revenues were not applied to the account and was not closed upon completion of the project.

Finding #9–DJS Supervision Fees – The account had a deficit of *\$21,933* mainly due to understated deposits in prior years and an unknown transfer of *\$49,479*. Staff were not aware of these errors as a reconciliation of the account had not been performed.

Finding #10–*Public Library Foundation* – The account had a deficit of *\$25,047* due to recording revenues of *\$33,500* to a different account. Staff were not aware of the activities in the account as they had not been trained on the reporting capabilities in RAPIDS.

**Finding #11–***Delinquent Tax Sales Special Revenue Fund* – Staff follow State Code for guidance; however, the Code is vague and does not specifically identify which expenditures are allowable. The City Attorney's Office is currently developing procedures to provide guidance to their staff.

Management concurred with 19 of 19 recommendations. We appreciate the cooperation received from management and staff while conducting this audit.

i

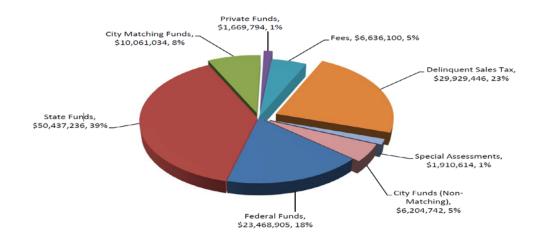

# BACKGROUND, OBJECTIVES, SCOPE, METHODOLOGY, MANAGEMENT RESPONSIBILITY and INTERNAL CONTROLS

This audit was conducted in accordance with the Generally Accepted Government Auditing Standards promulgated by the Comptroller General of the United States. Those Standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on the audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on the audit objectives.

### BACKGROUND

### Overview:

In the City of Richmond, Special Revenue Funds are created to account for revenues appropriated by City Council for a specific purpose either during the adoption of the Fiscal Plan or an approved ordinance. These funds are primarily derived from user fees, assessments, grants, and taxes:

The FY19 Special Revenue Funds funding sources were as follows:

Source: 2019-2020 Biennial Fiscal Plan

The City had 95 Special Revenue Fund Accounts as of June 30, 2019. The following table depicts the activities for each account during FY19:

Department	No. of Special Funds	Funds in Deficit	Funds Transferred to Close-out Balance	Funds with Activities	Funds with Balance Without Activity	Funds Without Balance or Activity
Public Works	17	1		11		5
Emergency Communications	9			4		5
Economic & Community Development	9	1	2	6

### Special Funds Process:

The Special Revenue Fund process is a coordinated effort between the requesting departments, the Finance Department and the Budget Office. The process to establish, monitor, and closeout a Special Revenue Fund account is depicted as follow:

**Richmond City Auditor's Report #2020-13** Citywide Special Revenue Funds May 21, 2020

The requesting department initiates the request by submitting required paperwork.	$\rightarrow$	Finance Department receives and reviews completed paperwork to setup a new special fund account.	$\rightarrow$	Finance sends to the Budget Office for final approval in RAPIDS.	$\rightarrow$	Budget baselines the accounts.
		Finance closes the account as deemed necessary.	<b>←</b>	Finance monitors the accounts monthly and sends a report of all expenditures to the departments.	<b>←</b>	Finance notifies the requesting department.

### OBJECTIVES

The objectives for this audit were to:

- Evaluate the controls, compliance and monitoring of Special Revenue Fund accounts and determine if they met Government Accounting Standards requirements.
- Determine if any Special Revenue Funds were in structural deficits and if efficiencies could be achieved by reducing the number of special funds.

### SCOPE

The scope of this audit covered Special Revenue Funds for FY19 and the current environment. The scope for one of the accounts tested, the Programming, Educational, and Government (PEG) Fund, covered FY18 and FY19, as well as the six months ended December 31, 2019.

### METHODOLOGY

The auditors performed the following procedures to complete this audit:

- Interviewed staff;
- Reviewed and evaluated relevant City of Richmond policies and procedures for compliance;
- Benchmarked against other Virginia localities;

- Reviewed revenues and expenditures for selected Special Revenue Fund accounts;
- Reviewed GASB Statements number 34 and 54;
- Reviewed City Ordinances, City Code, and State Code for Special Revenue Funds; and
- Performed other tests, as deemed necessary.

### MANAGEMENT RESPONSIBILITY

City of Richmond management is responsible for ensuring resources are managed properly and used in compliance with laws and regulations; programs are achieving their objectives; and services are being provided efficiently, effectively, and economically.

### INTERNAL CONTROLS

According to the Government Auditing Standards, internal control, in the broadest sense, encompasses the agency's plan, policies, procedures, methods, and processes adopted by management to meet its mission, goals, and objectives. Internal control includes the processes for planning, organizing, directing, and controlling program operations. It also includes systems for measuring, reporting, and monitoring program performance. An effective control structure is one that provides reasonable assurance regarding:

- Efficiency and effectiveness of operations;
- Accurate financial reporting; and
- Compliance with laws and regulations.

Based on the audit test work, the auditors concluded the internal controls over the Special Revenue Funds Process are significantly weak and need improvements. The following are some of the weaknesses noted:

- Policies and procedures to guide staff through the Special Revenue Fund process did not exist.
- Revenues were not always tracked and managed and/or erroneously coded to incorrect accounts.

- Accounts that did not meet the Special Revenue Fund guidelines were recorded as such.
- Unallowable expenditures.
- Untimely deposits of revenues received.

These internal control weaknesses are discussed throughout this report.

### FINDINGS and RECOMMENDATIONS

### What Works Well

### Expenditures

Except for the Public, Educational, and Governmental Fund (PEG), all expenditures tested were allowable.

### What Needs Improvement

### Finding #1 – Excessive Special Revenue Fund Accounts

As of June 30, 2019, the City of Richmond had 95 Special Revenue Fund accounts. The auditors reviewed the 95 accounts to determine whether they met the General Accounting Standards Board (GASB), guidelines. According to GASB, Statement No. 54, "Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects."

The auditors noted only 34 of the 95 Accounts met the GASB guidelines. The excessive Special Revenue Fund accounts were mainly due to not having policies and procedures to guide staff through requesting, creating, monitoring and closing out the accounts. GASB Statement #34 states governments should establish only the minimum number of funds necessary to operate legally because unnecessary funds result in inefficient financial administration. Governments

hould no longer report the special revenue fund and transfer the remaining revenues to the general fund, if the majority of the revenue source is no longer restricted.

Of the 95 Special Revenue Fund accounts, the auditors noted the following:

- 34 met the Special Revenue Fund guidelines
- 37 Inactive, miscoded or errors
- 12 Grants
- 12 Not Special Revenue Funds

The auditors also noted accounts that became dormant/inactive were not removed. In FY19, forty Special Revenue Fund accounts had neither revenues nor expenditures and twenty-three of those did not have either a beginning or ending balance. There were approximately *\$2 Million* in the Special Revenue Fund accounts that should have been included in the General Fund. (See Appendix A for summary)

The auditors benchmarked other Virginia localities to compare the number of Special Revenue Fund accounts in the City of Richmond with the number in those localities. In comparison, the City of Richmond has almost four times the number of accounts as the next closest locality as depicted on the following table:

# of Special Funds
95
24
18
4
8

Source: prepared by auditor

### Recommendations:

- 1. We recommend the Chief Administrative Officer develop and implement formal policies and procedures to provide guidance on creating, monitoring and closing Special Revenue Fund accounts.
- 2. We recommend the Director of Finance remove the identified accounts from the Special Revenue Fund accounts and move them to their respective cost centers in the Grants Module, General Fund or Enterprise Fund and work with the Budget Department to request any budget adjustments that may require legislative approval.

### Finding #2 – Incorrect Entry

While reviewing the Special Revenue Fund accounts, it was noted that during FY19, a *\$1,084,100.99* check for Utility Sales Tax was erroneously recorded in a Special Revenue Fund account instead of the General Fund. The staff who prepared the deposit form coded the revenues to an incorrect accounting code.

According to management, Finance staff perform quarterly projections of citywide general fund revenues. They also perform some reviews and look for major variances during the preparation of the monthly financial reporting. The Finance Director identified the discrepancy in a year-end review of actual revenues during August of 2019 and asked staff to research this matter along with others. However, this had not been researched and corrected. As a result, the FY19 General Fund revenues were understated by *\$1,084,100.99*. Prior to closing this audit, Finance staff moved the funds to the General Fund.

### Recommendation:

*3. We recommend the Director of Finance assign a specific staff person to be responsible for follow-up of all material General Fund revenue variances at the end of each quarter.* 

### **Revenues and Expenditures**

The auditors reviewed five Special Revenue Fund Accounts to determine whether expenditures were allowable based on their requirements. The auditors also reviewed the revenues coded to the selected accounts and tested for completeness.

### Finding #3 – Public, Educational, and Governmental (PEG)

The Code of Virginia §15.2-2108.22 requires a cable operator to pay a recurring fee, which is referred to as the PEG Capital Fee, including institutional networks "to support the capital costs of public, educational, and governmental channel facilities." Additionally, according to Cable Ordinance 2007-116-240, "The Franchisee shall pay to the City a recurring fee to be called the "PEG Capital Fee" to support the capital costs of PEG facilities, including institutional networks."

### Expenses

The auditors reviewed 100% of the PEG expenditures during FY18 and FY19, as well as the six months ended December 31, 2019. The expenditures during this period totaled \$1,811,777. The auditors noted *\$1,229,840* of these expenditures were not allowable as follows:

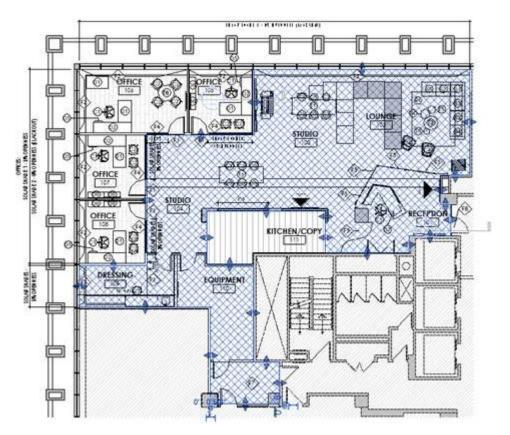

### Citywide website re-design:

100% of the expenditures *(\$1,070,340)* for the City's website re-design were not allowable as these expenditures did not "support capital costs of PEG facilities" or were "incurred in or associated with the construction of PEG access facilities". The new website has been delayed in implementation and at this time management has indicated the website should go live in the summer of 2020.

### *Production studio/office renovation:*

31% of the expenditures *(\$156,957)* were not allowable. The Office of the Press Secretary (OPS) contracted a vendor to renovate approximately 2,840 square feet of interior space in City Hall. The project's floor plan included a production studio, dressing room, kitchen, equipment room, reception area, and four offices. The project floor plan is depicted as follows:

**Richmond City Auditor's Report #2020-13** Citywide Special Revenue Funds May 21, 2020

The auditors obtained the square footage assigned to the production studio, which included a dressing room, equipment room, and a reception area. Based on the floor plan, 31% of the square footage were non-production studio related and therefore not allowable. Additional expenses occurred after December 31, 2019 which are also were not allowable.

#### Other Miscellaneous Expenditures:

OPS also paid *\$2,543* in other miscellaneous non-allowable expenditures.

Although PEG funds are restricted, OPS did not have a formal process to monitor PEG expenditures to ensure compliance with the franchise agreements/Cable Ordinance.

#### Revenues

According to the Cable Franchise Ordinance, the Franchisee must submit an annual report that describes the cable services begun or dropped, the total number of cable subscribers and the Page 9 of 20

number of homes passed. The report must also include the Franchisee's total operating revenues from each type of cable service, gross revenues and the amount of communications tax and PEG access fees by the Franchisee.

The auditors reviewed the revenues submitted to the City by the cable companies noting whether all the revenues had been recorded in the PEG Special Revenue Fund account. 100% of the revenues were deposited in the City's bank account; however the auditors noted:

- On 12/11/19, the Finance Department reclassified eight PEG revenue checks totaling \$421,999 to properly move PEG revenues from the General Fund to the PEG Special Revenue Fund Account.
- Two PEG revenue checks dated 7/21/17 and 10/20/17 for \$61,426.93 and \$59,555.84, respectively were not recorded in the PEG Special Revenue Fund account. These payments were recorded in multiple General Fund accounts, such as Right of Ways, Utility Sales and/or Consumption tax. Upon auditors' inquiries, these revenues were reclassified and coded to the PEG Account on April 17, 2020.

The auditors noted neither Finance nor OPS monitored the revenues for completeness. OPS and Finance staff did not know where the funds should have been recorded.

## Untimely Deposits

The auditors noted revenue payments submitted to the City for the PEG Special Revenue Fund account were not deposited timely. Three checks totaling *\$154,092* were deposited at least three months after the check issuance date as depicted on the following table:

Check Date	Paid Amount	Deposit Date
1/24/19	\$51,737.05	
4/24/19	\$50,281.07	10/11/19
7/24/19	\$52,073.95	

#### Recommendations:

- 4. We recommend the Communications Director develop and implement formal procedures to ensure compliance with the PEG franchise agreements/Cable Ordinance.
- 5. We recommend the Communications Director work with the Budget Department to find and obtain legislative approval to appropriate \$1,229,840 from other, more appropriate funding sources, to recover the funds used for unallowable PEG expenditures.
- 6. We recommend the Communications Director ensure expenses which occurred subsequent to December 31, 2019 for website re-design and web services, and 31% of the production studio/office renovation cost be reclassified from or not charged to the PEG Special Revenue Fund account.
- 7. We recommend the Communications Director hold the website vendor accountable for firm implementation dates and product for the investment made in website development.
- 8. We recommend the Communications Director implement a monitoring process to ensure funds collected are complete and deposited in accordance with the Department of Finance's Cash Collections Policies and Procedures.

## Finding 4 – Affordable Housing Trust Fund

In 2012, the City invested \$1.5 Million in the form of a 20-year recoverable grant to Richmond Redevelopment and Housing Authority (RRHA) to support the redevelopment of the Dove Street area. Pursuant to a Cooperative Agreement between RRHA and the City of Richmond, RRHA is required to submit interest payments of \$14,000 to the City annually.

#### Expenses

During FY19, the expenditures charged to the Affordable Housing Special Revenue Fund account totaled \$876,788. The auditors reviewed all the expenditures to determine whether they were allowable expenses and noted no exceptions.

**Richmond City Auditor's Report #2020-13** Citywide Special Revenue Funds May 21, 2020

#### Revenues

During FY19, City Council appropriated \$1 Million to the Affordable Housing Trust Special Revenue Fund. In addition to the Council appropriation, revenues of \$56,739 were recorded in the account in FY19. However, that total included a check for \$14,000 that had been voided. The check, which was dated January 24, 2018 was deposited over a year after its issuance date. Except for \$14,000, the revenues recorded in the account were applicable to prior years' interest revenues. In 2019, RRHA issued three checks to replace checks that were originally issued between 2015 and 2018. The untimely deposits for the replacement and other checks are depicted on the following table:

Check date	Amount	Deposit Date
1/24/18	\$14,000	
1/16/19	\$14,000	2/15/19
2/6/19	\$14,000	
3/20/19	\$14,000	4/18/19
3/20/19	\$739.20	

According to the Department of Finance's Cash Collections Policies and Procedures, "All organizational units in the City that accept cash receipts as a form of payment for goods or services, shall deposit cash receipts of \$100 or more within 2 business days."

Poor oversight over the staff responsible for the administration of the funds collected and staff turnover over this function impacted the untimely deposits. Untimely deposits can result in lost revenue and decrease in services provided by the City. Additionally, the risk of misappropriating funds and revenues going unnoticed increases when monitoring procedures are not in place. Due to the weak internal controls in recording and monitoring revenues, a more comprehensive review of revenues will be conducted during FY2021.

#### Recommendation:

9. We recommend the Director of the Housing and Community Development develop and implement a monitoring process to ensure funds collected are deposited in accordance with the Department of Finance's Cash Collections Policies and Procedures.

# Finding #5 – Law Library Special Revenue Fund

According to Code of Virginia §42.1-70, as a part of each civil action, localities can charge a fee of up to \$4 to be used to create and maintain a law library. The fee is to be collected by the Clerk of the Courts where the action is filed and remitted to the City's Financial Officer. In 1994 the City adopted Ordinance 94-42-52 to enact the State law. The fee then was \$2 and was increased per Ordinance 2012-110-113 to \$4 where it remains. The General and Circuit Courts submit the funds collected to Central Finance on a monthly basis via a check.

#### Expenses

During FY19, expenditures of \$358,000 were charged to the Law Library Special Revenue Fund account. The auditors reviewed all the expenditures and noted no exceptions.

#### Revenues

During FY19, the Finance Department received 24 payments from the General District and Circuit Courts (12 payments each) totaling \$239,317. The auditors reviewed the general ledger to validate the completeness of the funds received. 100% of the revenues received in FY19 were recorded in the Law Library Special Revenue Fund account.

#### Fund Balance

As of June 30, 2019 the Law Library was in a deficit of *\$324,212.25*. The auditors noted the Finance Department did not code the revenues to the Law Library Special Revenue Fund from FY14 through FY17. A lump-sum of *\$1,290,277.04* in revenues were coded to the Fund in FY18 to reclassify the revenues received from FY14 through FY17.

According to Library staff, they did not receive communication from Finance staff about when and how funds were received and as a result they were unaware of the total revenues received and the account's running balance. They also have not been trained on the reporting capabilities of RAPIDS. The auditors noted, the Library staff did not reconcile the account to reflect available funding. During FY19, the expenditures exceeded the revenues by *\$118,180*.

### Recommendations:

- 10. We recommend the Library Director work with the Finance Director to ensure Library staff are trained on the reporting capabilities of RAPIDS.
- 11. We recommend the Library Director establish a reconciliation process for the Law Library Special Revenue Fund account.
- *12. We recommend the Library Director develop a strategy to address overspending in the Law Library Special Revenue Fund account to ensure expenditures do not exceed the revenues.*
- 13. We recommend the Library Director work with the Budget Department to request legislative approval to appropriate funds to cover the June 30, 2019 deficit of \$324,212.25 for the Law Library Special Revenue Fund account.

# Finding #6 – Permits and Inspections Technology Renewal Fee

The Permitting and Inspections Technology Renewal Fund was adopted May 27, 2008. The Special Revenue Fund account was established to increase the permits and inspection fees to offset the costs of purchasing and maintaining a new land management tracking system. In addition, an initial investment was required by ordinance to be made into the Permitting and Inspections Technology Renewal Fund. 5% of these fees are required to be allocated to the Technology Renewal Special Revenue Fund account.

#### Expenses

During FY19, The Technology Renewal Fund account had 18 expenditures totaling \$310,822. The auditors reviewed all the expenditures to ensure they were allowable expenditures. The auditors noted 100% of the expenditures were allowable.

#### Revenues

The auditors noted the 5% permit fee allocation to the account was under allocated by *\$47,388* during FY19. Additionally, Finance staff who keyed the journal entry in RAPIDS keyed one of the numbers incorrectly, which further understated the allocation by *\$2,000.* The under allocation was as follows:

	Revenues Reported	Actual Revenues	Under Reported Revenues	Under Allocated Amount
Total Revenues	\$8,972,567	\$9,920,318	(\$947,751)	
5% of Variance				\$47,388
Error				\$2,000
Total				\$49,388

The understatement was due to staff using the preliminary general ledger balances instead of the final revenues to calculate the allocation. Additionally, the Planning and Development Review Department (PDR) did not have written procedures to guide staff through the process. During a recent Permits and Inspections audit, we recommended for the PDR Director to implement a process to ensure proper allocation of funds to the Special Revenue Fund Account.

This recommendation has not yet been implemented.

## Recommendation:

14. We recommend the Director of Planning and Development Review submit an adjusting entry of \$49,387.53 to increase the Technology Renewal Special Fund account by the appropriate amount.

# Finding #7 – Special District Assessments

Property owners within the Downtown Special District pay additional taxes to assist funding a program to beautify and improve cleanliness and the feeling of safety downtown, which is managed by a third party vendor. The City provides funding annually to support the Program.

#### Expenses

During FY19, the Special District Assessment account had disbursements of \$1,913,898 paid to the third party vendor. Additionally, payments of \$20,112 were issued to refund incorrect assessments. The auditors reviewed all the expenditures to ensure they were allowable expenditures and found no exceptions.

#### Revenues

In September 2019, staff from the Department of Economic and Community Development notified Finance staff that the projected revenues for the Special District were incorrect. Research by Finance staff revealed that over several years, rehabilitation exemptions had been erroneously applied against Special District charges. Rehabilitation exemptions should only be applied to the real estate tax charges, not the Special District account. The revenue understatement was approximately **\$557,895** as depicted on the following table:

Tax Year	No. of	Amount
	Accounts	
2019	798	\$279,330.13
2018	755	\$276,970.32
2014	4	\$1,044.28
2013	2	\$550.01
Total		\$557,894.74

The revenues were understated due to a coding error. Staff were assigned specific accounts to correct the error and move the revenues to the Special District Assessments account. The Finance Department's operating procedures did not provide guidance for handling real estate rehabilitation exemptions. According to Finance management, a protocol was not in place. However, procedures have been developed and will be added to their Standard Operating Procedures.

#### Recommendation:

15. We recommend the Program and Operations Manager for the Commissioner of Revenue in Finance update their Standard Operating Procedures to ensure real estate rehabilitation exemptions are applied correctly.

## Funds in Deficit

As noted earlier, seven special revenue funds were in deficit at the end of FY19. However, as of January 2020, the Delinquent Tax Sales and the Main Street Station Operating accounts had been corrected and were no longer in deficit. We also noted the Young Adult Services account was set up erroneously and will be closed as it did not exist. The Deficit for the Law Library account was previously discussed in this report and the remaining accounts that were in deficit as of June 30, 2019 are as follows:

# Finding #8 – Rapid Transit Pulse Project

The Department of Economic and Community Development (DECD) was responsible for managing the Rapid Transit Pulse Project Special Revenue Fund account. As of June 30, 2019, the account had a deficit of *\$119,639.32*. The fund was used for public outreach activities to offset the impact on local businesses affected by the Rapid Transit Pulse project. During FY20, this Fund was transferred to the Department of Public Works (DPW). However, activities for this project had ceased prior to the transfer.

The Government Finance Officers Association (GFOA) recommends reviewing and reconciling revenues and expenditures to ensure entries are accurate in the official reporting system to avoid errors or potential budgeted fund deficits.

According to DECD staff, a former employee did not reconcile the account and did not transfer funds to the account. Thereby, leaving it in a deficit.

#### Recommendation:

16. We recommend the Director of Housing and Community Development ensure staff reconcile and close out the deficit in the Rapid Transit Pulse Project Special Revenue Fund account.

## Finding #9 – DJS Supervision Fees

The Department of Justice Services (DJS) collects Supervision Fees as part of their offender supervision services. These fees are recorded in the Supervision Fees Special Revenue Fund account. As of June 30, 2019, the account had a deficit of *\$21,933.31*.

DJS management did not have oversight procedures in place to ensure funds deposited matched the revenues recorded in RAPIDS. The Supervision Fees account was not reconciled to ensure the accuracy of the available funds.

According to DJS management, upon researching the activities in the Supervision Fees Special Revenues Fund account, they noted the revenues recorded in RAPIDS were understated by *\$1,744* and *\$2,395* in FY16 and FY17, respectively. Additionally, they noted in FY14, the Finance Department transferred *\$49,478.87* to the General Fund without their knowledge.

DJS management corrected the account deficit balance prior to the conclusion of this audit.

## Recommendation:

17. We recommend the Director of Justice Services develop and implement monitoring procedures to ensure the Supervision Fees Special Revenues Fund account is reconciled in a timely and consistent basis.

## Finding #10 - Public Library Foundation

The Richmond Public Library Department receives donations for purchasing books and library materials. These funds are recorded in their Library Foundation Special Revenues Fund account. As of June 30, 2019, the Fund had a deficit of *\$25,047.27*.

**Richmond City Auditor's Report #2020-13** Citywide Special Revenue Funds May 21, 2020

In FY15, staff from the Department of Finance erroneously posted revenues of \$33,500 to the Gifts to the Library Fund instead of the Library Foundation Fund account in RAPIDS. Library staff were aware the account balance in RAPIDS was incorrect but they did not know how to navigate the reporting capabilities in RAPIDS. Although the Library staff knew they had deposited \$33,500 for the Library Foundation account, they could not locate the deposit in RAPIDS and did not know how to run reports to find out where the revenues were posted.

### Recommendation:

18. We recommend the Library Director work with the Finance Director to reclassify the erroneous posting of \$33,500 to the Library Foundation Special Revenue Fund account.

## Other Observations

## Finding #11 Delinquent Tax Sales Special Revenue Fund

Pursuant to State Code, after the second year delinquency for a parcel, a locality may sell the property. The purpose of the sale is to collect delinquent taxes on such properties. The net sales proceeds after other distributions are recorded in a Delinquent Tax Sales Special Revenue Fund account.

The City Attorney's Office oversees the activities on this account. Staff rely on the State Code for guidance. However, the State Code is vague and left to interpretation in some areas. Without policies and procedures, knowledge may not be retained with turnover, resulting in unallowable expenditures. The City Attorney's Office is currently developing a Policy and Procedures manual to address the areas left to interpretation and give their staff guidance. This policy has not has not yet been finalized.

#### Recommendation:

*19. We recommend the City Attorney finalize the Policy and Procedures for the Delinquent Tax Sales Special Revenue Fund account, which should specifically include allowable expenditures.* 

# APPENDIX A: Excess Funds Table 2020-13 Citywide - Special Revenue Funds Audit

Department	Funds as of 6/30/2019	Count
DPW	\$8,620	1
ECD & HCD	\$72 <i>,</i> 385	1

#### AN ORDINANCE No. 2020-110

To amend Ord. No. 2019-041, adopted May 13, 2019, which adopted the Fiscal Year 2019-2020 General Fund Budget and made appropriations pursuant thereto, by reducing total appropriations by \$11,782,826, transferring funds from various agencies and non-departmental programs and the Budget and Revenue Stabilization Contingency Reserve, and appropriating the transferred funds to various agencies and non-departmental programs; and to amend Ord. No. 2019-042, which adopted the Fiscal Year 2019-2020 Special Fund Budget and made appropriations thereto, by increasing estimated revenues and the amount appropriated to the Department of Housing and Community Development's Affordable Housing – Non CDBG Areas special fund by \$1,000,000.00 to provide for affordable housing initiatives.

Patron – Mayor Stoney

Approved as to form and legality by the City Attorney

#### PUBLIC HEARING: MAY 26 2020 AT 6 P.M.

THE CITY OF RICHMOND HEREBY ORDAINS:

§ 1. That Ordinance No. 2019-041, adopted May 13, 2019, which adopted a General

Fund Budget for the fiscal year commencing July 1, 2019, and ending June 30, 2020, and made appropriations pursuant thereto, is hereby amended by:

(a) Reducing total appropriations by \$11,782,826 and transferring funds from various

agencies and non-departmental programs as shown on the attachments to this ordinance entitled

ADOPTED:	REJECTED:	STRICKEN:

"General Fund Attachment" and "Non-Departmental Attachment," copies of which are attached to and incorporated into this ordinance;

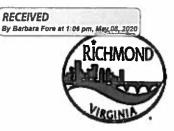

(b) Transferring funds in the amount of \$6,241,384 from the Budget and Revenue Stabilization Contingency Reserve created by section 12-263 of the Code of the City of Richmond (2015), as amended; and

(c) Appropriating such transferred funds to various agencies and non-departmental programs as shown on the attachments to this ordinance entitled "General Fund Attachment" and "Non-Departmental Attachment."

§ 2. That Ordinance No. 2019-042, adopted May 13, 2019, which adopted a Special Fund Budget for the fiscal year commencing July 1, 2019, and ending June 30, 2020, and made appropriations pursuant thereto, be and is hereby amended by increasing estimated revenues from the funds transferred pursuant to section 1 of this ordinance by \$1,000,000.00 and increasing the amount appropriated to the Department of Housing and Community Development's Affordable Housing – Non CDBG Areas special fund by \$1,000,000.00 for the purpose of providing for affordable housing initiatives.

§ 3. This ordinance shall be in force and effect upon adoption.

## **O&R REQUEST**

DATE:	May 6, 2020	EDITION: 1
TO:	The Honorable Members of City Council	
THROUGH:	The Honorable Levar M. Stoney, Mayor	≥ 5/8/2020
THROUGH:	Lenora Reid, Acting Chief Administrative Officer lan Deputy Chief Administrative Officer for Finance and A	5/8/2020 <b>dministration</b>
THROUGH:	John Wack, Director of Finance	1-
FROM:	Jay A. Brown, Director, Budget and Strategic Planning	Jos
RE:	FY2020 General Fund Re-appropriation Amendment a Amendment	and FY2020 Special Fund

ORD. or RES, No.

**PURPOSE:** To amend the FY2020 General Fund Budget (Ord. 2019-041) by re-allocating funds between agencies to reflect each agency's projected FY2020 funding needs as determined by a review of the third quarter expenditure forecast. This amendment seeks to also reduce the total general fund budget – to meet projected obligations - in addition to appropriating funds from the Budget and Revenue Stabilization Contingency Reserve to offset the shortfall in projected revenues.

To also amend the FY2020 Special Fund Budget (Ord. 2019-042) by increasing the amount appropriated to the Department of Housing and Community Development's Affordable Housing Trust Fund, based on an increased, projected contribution from the General Fund.

**REASON:** An outcome of the third-quarter forecast is a projected snapshot of each agency's total fiscal year expenditure needs. This ordinance adjusts departmental appropriations to reflect projected expenditures using the third-quarter forecast as a basis. These estimates will be submitted to the Finance and Economic Development Committee, as well as the full City Council, in May.

A preliminary review of the third quarter projections indicates a projected shortfall of approximately (\$6,241,384) when assessing general fund revenues that are anticipated to be collected and the anticipated expenditures to be realized on June 30, 2020. This projected shortfall is a significant change compared to the surplus that was projected as part of the second-quarter report. The shortfall projected in the third quarter is the direct result of the impacts of COVID-19, which has hampered localities throughout the country starting in March of 2020.

The current general fund revenue forecast projects a shortfall of revenues of approximately \$18,024,211 – due primarily to anticipated decreases in the City's projected meals, lodging, and sales taxes, all of which are directly related to the anticipated impacts of COVID-19 to the City's coffers.

The current expenditure forecast, however, projects a preliminary surplus of approximately \$11,782,826 – due largely to the Administration's implementation of a hiring freeze on all non-essential positions and a moratorium on discretionary purchases and departments' running efficient operations and cutting costs. The projected expenditure forecast also includes several noteworthy expenditures. The following items have already been presented to City Council as critical expenditures to assist Richmond residents in the areas of homelessness. They include:

- \$500,000 to the EnRichmond Foundation in Non-Departmental;
- \$250,000 to HOME in Non-Departmental;
- \$300,000 to Homeward in Non-Departmental; and
- \$1,000,000 to the Affordable Housing Trust Fund in Non-Departmental (which is transferred to the Affordable Housing Trust Special Fund).

Also, it has been brought to our attention by the City Auditor that several departments' special funds total expenditures exceeded total revenues or they have charged expenditures to special funds that were deemed unallowable. This resulted in a recommendation from the City Auditor for those expenditures to be covered by the general fund. The following are also included in the expenditure projection, and are excerpts from the City Auditor's preliminary investigation:

- Library staff incurred expenses that exceeded their (special fund) revenues and fund balance. As of June 30, 2019 one Library Special Revenue fund had a total deficit of \$324,212;
- The Rapid Transit Pulse Project Special Revenue Fund has incurred expenses that exceeded their (special fund) revenues and fund balance. As of June 30, 2019, this special fund had a total deficit of \$119,639; and
- Office of the Press Secretary incurred nearly \$159,500 in expenditures primarily associated with the production studio / office renovation to that were charged to PEG special fund through December 31, 2019. These costs, approximately 31% of the grand total, the Auditors believe, based on City Attorney interpretations, should be allocated to the General Fund and should not have been charged to this special fund. An additional \$70,160 is included in the projection to cover costs incurred for the studio redesign / office renovation after December 31, 2019.

Although the above items are included in the expenditure projections the City is still projected to have expenditure savings of \$11,782,826. The specific details of the above projected expenditures will be explained in the report.

As a result of the above, the preliminary third-quarter report projects that despite the projected expenditure surplus, the City is expected to generate even less revenues, due to COVID-19, an unavoidable, unforeseen, and catastrophic event. This projected revenue shortfall attributed to COVID-19 results in a recommendation to appropriate use of reserve funds, specifically, the Budget and Revenue Stabilization Contingency Reserve to meet projected expenditure levels in FY2020.

This ordinance request seeks to:

- 1. Decrease the total general fund budget to meet projected obligations by approximately \$11,782,826 (the amount of the projected expenditure savings);
- 2. Appropriate funds from the City's Budget and Revenue Stabilization Contingency Reserve. Specifically, this ordinance seeks to appropriate \$6,241,384 from the Budget and Revenue

Stabilization Contingency Reserve fund in order to fully offset the net projected, general fund shortfall;

- 3. Transfer projected surpluses from multiple agencies to those agencies that are projected to have a shortfall. After the adoption of this ordinance there is the possibility that changes in expenditure patterns or unforeseen events could result in additional variances; and
- Amend ordinance 2019-042 by increasing the appropriation of the Affordable Housing Trust Special fund by \$1,000,000. This will increase the Affordable Housing Trust Fund from \$2.9 million to \$3.9 million.

It is important to note that the Administration is continuing to work with departments to generate efficiencies, identify savings, and to take measures to reduce future expenditures. The Administration will likely revisit the projections for FY2020 in June – particularly after more revenue collection information is available and an additional month of expenditures have posted - and will introduce another re-appropriation amendment, if needed.

Note that although the fiscal year ends on June 30<sup>th</sup>, the Finance Department performs its accrual process through August. As a result, there will likely be changes to the revenue projections that may result in not needing as much (or more) of the proposed use of the Budget and Revenue Stabilization Contingency Reserve fund.

**RECOMMENDATION:** The Administration recommends the adoption of this ordinance.

**BACKGROUND:** As part of the "Well-managed Government" strategy, the Administration is requesting amendments to more closely align agency budgets with their projected expenditures. In FY12, FY13, FY14, FY15, FY16, FY17, FY18, and FY19 similar 3<sup>rd</sup> quarter re-appropriation papers were introduced and adopted to adjust various agencies' budgets. Even after the adoption of this ordinance, it should be noted that there is still a possibility that changes in expenditure patterns or unforeseen events could result in additional variances.

In May, Council will be provided with a forecast that projects expenditures for each agency and provides explanations for variances. This forecast, the third-quarter projections, combines actual expenditures through the end of the quarter along with a projection of future expenditures through June 30<sup>th</sup>. A preliminary assessment of the FY2020 third-quarter forecast estimates a net shortfall of (\$6,241,384) whereby the projection of expenditures, although projected to be lower than the modified budget, exceeds the projected revenues, which are also projected to be lower than the modified budget.

As a result, this O and R request recommends not only transferring savings from agencies to those that are projected to have a shortfall but also to reduce the overall expenditure budget, to meet projected expenditures. However, the projected general fund revenues will not meet the projected expenditures without the appropriation of additional resources. As a result, this O and R requests to appropriate \$6,241,384 in Budget and Revenue Stabilization and Contingency Reserve funds.

#### SOURCE: (must select all that apply)

New/increased revenue (complete the general fund new budget item detail chart)(you must identify the amount of the new revenue or increase in revenue and the reason the new revenue or increase in revenue is available – do this in the Background section above)

Existing general fund (complete general fund transfer budget item detail)(you must identify the budget item to be reduced, the amount of the reduction, the reason for the reduction, <u>and an analysis of the impact on each program or subprogram funded by that budget item</u> – do this in the Background and Reason sections above)

Fund Balance/Reserve/Contingency/Other Funding Source (you must identify the specific source to be used (eg. Fund balance, reserve, contingency, or other), the amount of that funding source proposed to be used, and the reason for the use of that funding source – do this in the Background section above)

#### FISCAL IMPACT/COST (current FY):

- If Adopted: This ordinance will amend the F2020 general fund budgets of multiple departmental budgets (see attached) and will allow for the re-alignment of budgets based on projected expenditures as well as fund critical services that impact the City's homeless population. This will also amend the FY2020 Housing and Community Development special fund budget.
- If Not Adopted: Several identified agencies, on the attachment, are likely to overspend their FY2020 appropriation. Additionally, if not adopted, several agencies will not be able to meet projected obligations for June 30<sup>th</sup>.

FISCAL IMPLICATIONS (future FYs): There are no future fiscal implications/impacts as this is an amendment that impacts the current fiscal year. In the current fiscal year, the final budgets for various general fund departments would change to reflect their projected FY2020 obligations.

BUDGET AMENDMENT NECESSARY: Yes. An amendment is needed if funds are to be transferred between general fund departments and to modify the general fund budget.

**REVENUE TO CITY:** The FY2020 general fund revenue budget will decrease in total but will need to have an appropriation of \$6,241,384 from the Budget and Revenue Stabilization Contingency Reserve in order for the budget to be in line with current projections.

**DESIRED EFFECTIVE DATE: Upon adoption**
