SUBJECT: Claims Returned

The Richmond Public Library allows the use of the “claims returned” function to clear disputed items from a patron’s record.

A “claims returned” is used for a single item.

A patron account may have a maximum of 2 “claims returned” items that have not been found and cleared.

After the maximum of 2 “claims returned” incidents, the “claims returned” option is no longer available to the patron and he/she shall be liable for the return of the material or the cost of replacement and of processing fees.

The “claims returned” function absolves the patron of responsibility for the item, including responsibility for the replacement cost if the item is never found.
