RICHMOND PUBLIC LIBRARY

Support a Worthy Cause with Boldly Empowering Tomorrow at the Main Branch

Have ideas for a service learning project?

YES!

GOOD!

Use the library's resources to help you identify community needs and discuss actionable ways to make changes in the community during BET meetings on the first Monday of every month at Main. You can log the hours you spend planning and executing your ideas!

BET also helps you to develop leadership skills and learn ways to tackle problems with actionable steps!

Support teen programs at the library by volunteering your time with RPL's Teen Advisory Board at the Main Branch

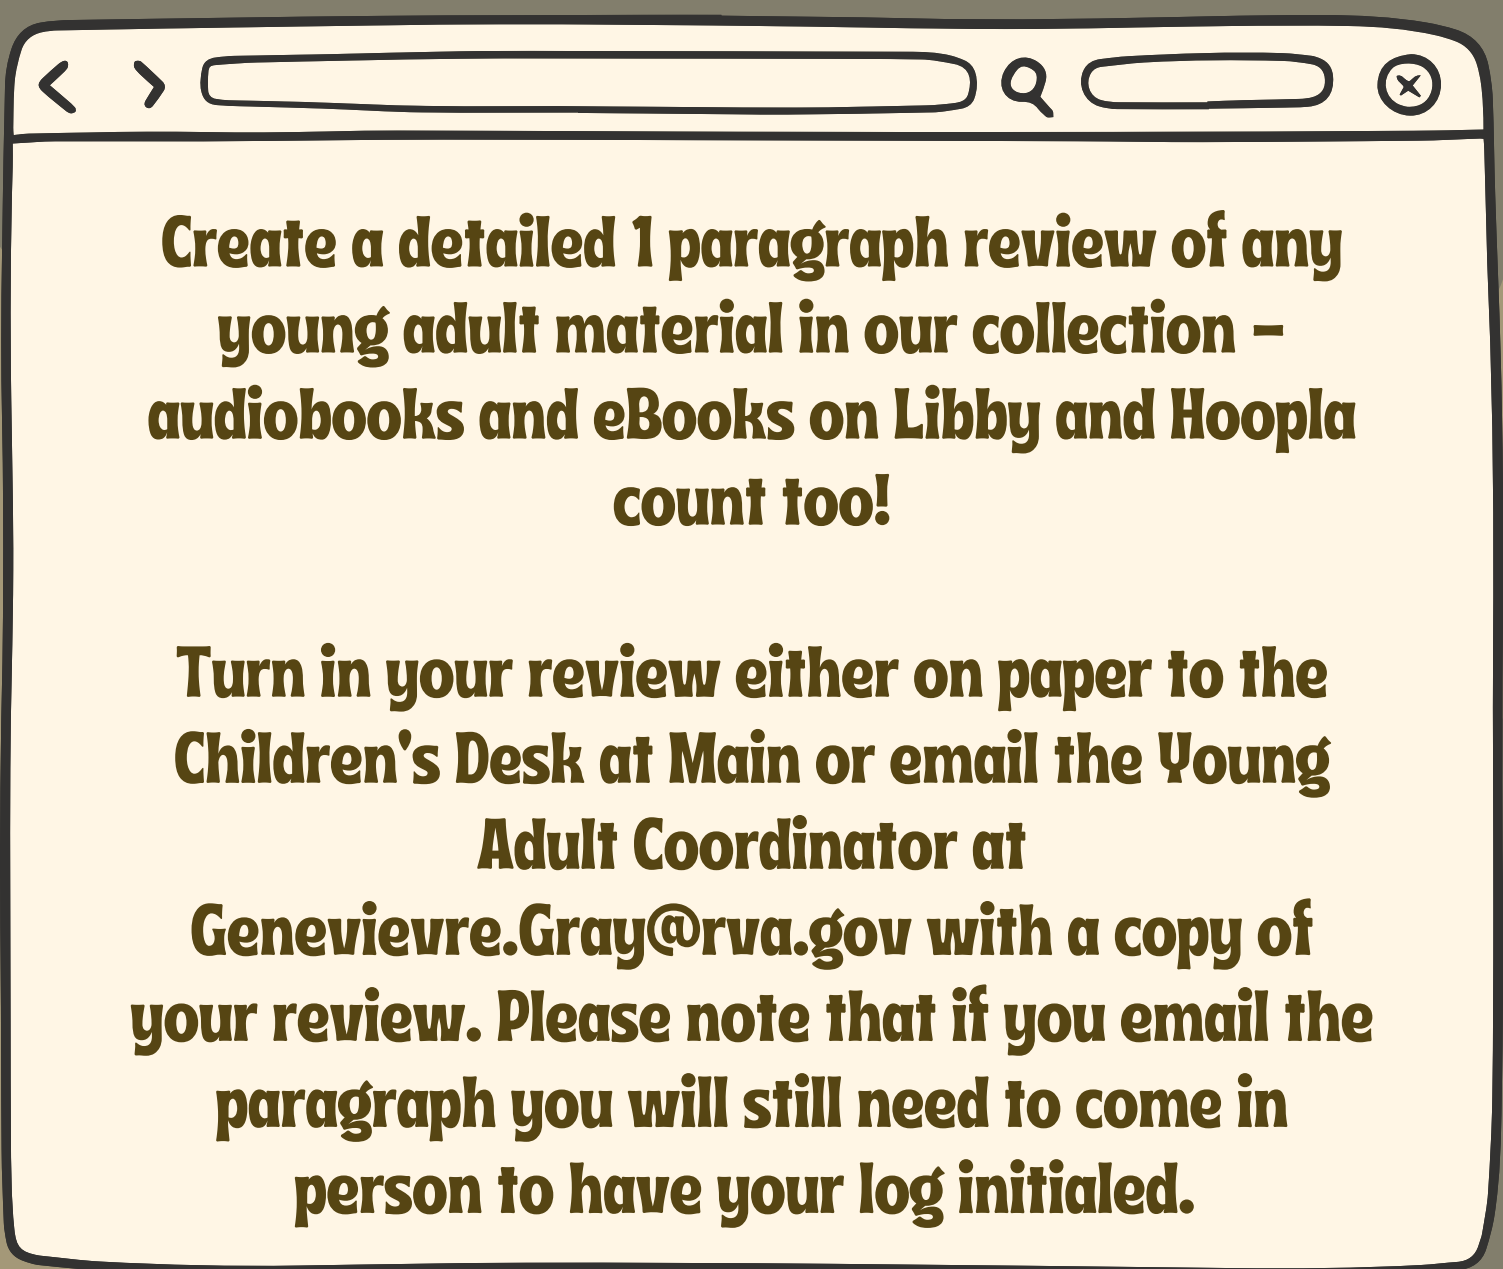

Start a club or extracurricular that meets at RPL. Designing a club and leading meetings counts as volunteer time!

Help design displays for the teen section and earn volunteer hours while you put it together.

Something we're missing? Help design programs for us to host in the future and/or assist the librarian with executing your program idea. Your time counts!

Do you have a book you like in our collection?

Create a detailed 1 paragraph review of any young adult material in our collection – audiobooks and eBooks on Libby and Hoopla count too!

Turn in your review either on paper to the Children's Desk at Main or email the Young Adult Coordinator at Genevievre.Gray@rva.gov with a copy of your review. Please note that if you email the paragraph you will still need to come in person to have your log initialed.
