Director's Report: In addition to the items submitted in this month's report, the following updates were made:

Stats: The stats are looking good this year. We have surpassed 2022 circulation and, on our way to eclipsing 2024 circulation. Tracking circulation numbers is significant because it shows how adding hours, staff, and programs is getting the book budget up is paying off.

<u>National Library Week</u>: National Library Week is April 6-12, 2025, with this year's theme being "Drawn to the Library."

Each day of this week in April focuses attention on libraries across the United States. Programs and information highlight the essential work that libraries do each day. This includes providing access to information, creative spaces for learning and growth, and early literacy and continuing literacy support for adults. Libraries are creative spaces for the arts and sciences, STEM centers, job assistance sites, book discussion hosts, and gathering spaces for the community as a whole. Weekly activities include:

- Monday, April 7 Right to Read Day: A Day for readers, advocates, and library lovers to take action to protect, defend, and celebrate the right to read. The American Library Association (ALA) kicks off National Library Week.
- Tuesday, April 8 National Library Workers Day: A Day where we recognize all library staff and their efforts on behalf of the community.
- Wednesday, April 9 National Library Outreach Day: A Day to celebrate library outreach and the dedicated library professionals who are meeting their patrons where they are with events such as Library Signup Week, Library Popup events, etc.
- This year all branches of Richmond Public Library will have tips on how to support your library and a "Draw Your Dream Library" activity for all patrons.
- Library mascot, Ripple, will visit each location for a special storytime during the week.

<u>Budget Schedule</u>: A calendar outlining the City Council Budget review dates was distributed to members. On March 27, 2025, Mayor Avula will present the FY26 Proposed Budget during a Special Council Meeting, which will be broadcast live at 3:00 p.m.

	Reports (Continued)
Advocacy Task Force	Chair Peterson began the report by introducing two key topics for discussion:
Christine Peterson Sheron Carter-Gunter	1. Federal Funding Cuts to IMLS : These cuts could impact the principal funding source for state libraries and RPL. While direct grants remain a possibility, the reduction in federal support presents challenges.
	2. Philosophy for Budget Season: The approach moving forward should consider:
	a. Collaboration with Administration: Foster a cooperative and supportive relationship with the administration, aiming to strengthen our partnership where possible.
	b. Sustaining Momentum : Maintain the progress being achieved, striving to avoid cuts if feasible.
	c. Prepare for Temporary Cuts : Be ready for one-time, temporary cuts, and explore opportunities for temporary increases in funding through the Foundation and Friends of the Library.
	3. Focus on Future Goals : Ms. Carter-Gunter added to continue to prioritize and work towards Library long-term objectives.
Policy Taskforce	No Formal Report.
Emily Altman	
Chair Report	Chair Peterson expressed her sincere gratitude to each member of the LBOT for their increased dedication and elevated contributions, including:
Christine Peterson, Chair	Engaging in visits with Council Members and attending Council Meetings
	Contributing to policy work
	Supporting new and exciting developments in Governance
	Making valuable introductions to key individuals
	Collaborating with City Administration
Finance	There is no formal report.
Bill Yates, Chair Scott Firestine	Mr. Yates shared his insights on the budget and the budget process, highlighting the following points: 1. The current budget is on track.
	2. There are no excess funds to trim from the Library Budget.
	3. The budget is operating with minimal overhead.
	Mr. Yates and Mr. Firestine will collaborate with Chair Peterson to determine the optimal timing for sending out communication about the budget, following the mayor's proposed budget presentation on March 27.
Facilities Janet Woody, Chair	Ms. Woody began the Facilities Committee Report by expressing her gratitude to staff for their dedicated efforts in gathering the necessary information to update the Facilities Master Plan systemwide.
Scott Firestine	Facilities Report Progress Update: The target completion date for the final report is June 30, 2005. This aligns with the beginning of the new fiscal year and the start of the FY2026 City Budget and CIP planning cycle.
	In April, the Facilities Committee will begin distributing paper surveys and hosting community meetings at branch locations. Mr. Firestine would greatly appreciate the assistance of LBOT members Gail Zwirner and Janet Woody in these meetings, as their firsthand observations of public feedback will be invaluable.

Director's Report (Continued) April 2025

Things to Celebrate:

• **Belmont Branch Library:** River City Roll donated not one but two very generous prize packages for Belmont Branch Library's Adult Spelling Bee winners, one worth \$150 and the other worth \$175. These will be used for spring and summer prizes.

Also worth mentioning, patrons have been very vocal in their thanks to librarians for simply existing, likely in connection to US news in general. It has been very heartening for staff that people are going out of their way un-prompted.

- **Broad Rock Branch Library:** Library/Community Services Manager Heather Montgomery noticed several men taking pictures outside the Broad Rock Branch Library and decided to investigate. It turned out that Richmond Magazine was there to feature Everett, a young man whose story will be highlighted in next month's edition. Once homeless as a teenager, Everett spent much of his free time at the library, finding refuge in its welcoming environment. He shared that the library was a turning point in his life, as it was here that he discovered his passion for technology and IT. Be sure to look for the full article in May!
- East End Branch Library: A woman who only spoke Arabic, accompanied by her social worker, arrived at the library with a desire to learn English. Library Associate Nicole Byers welcomed them, and thanks to the support of a City interpreter and Ms. Byers' exceptional customer service, they were able to sign up for a library card and gain access to Transparent Languages, a resource to help her start learning English. Both the woman and her social worker expressed their deep gratitude, highlighting just one of the many transformative opportunities the library offers to the community.
- **Ginter Park Branch Library:** We had two different patrons come in to thank us, especially Senior Library Technician Gina Ardiente, for help with their resumes and job applications; they both separately received job offers and credited the help they received at the library with getting them to this point!
- West End Branch Library: A young couple and their parents came in to browse the DVD collection. The parents are new to the area and had received a DVD player as a gift. They were thrilled with the "eclectic" collection of DVDs the library has to offer and were looking forward to browsing regularly.
- Westover Hills Branch Library: A couple that has been coming to the Westover Hills Branch Library for years let Senior Library Technician Lenora Wesley know it warms their hearts to see her still working at the Branch. They used to come with their children for storytime and are now bringing their young grandkids. Seeing their familiar library staff helps them feel connected to this community and is just one more way that Ms. Wesley contributes to our welcoming, neighborhood environment.

Our District 4 Councilmember Sarah Abubaker gave Library/Community Services Manager Danielle Tarullo a lovely compliment at the SCA meeting, saying how she sees Ms. Tarullo out in the community all the time and how great that is for the community. Councilmember Abubaker, of all people, understands that it takes a lot of time to get out and see the community in their spaces and expressed how important the library is for everyone. It is lovely to hear her support.
